What's Senator Worsley's *true* voting record in 2014?

In 2014, Bob voted with the GOP Senate Caucus 482 of 493 times (98%)

- Medicaid Restoration...“cost the state billions of dollars or more.” **FALSE** ➔ Zero cost to state and saved hospitals from going bankrupt. Alternative “GOP plan” would have cost the state \$250 million annually indefinitely.
- Bob supports...“taxpayer funded abortions.” **FALSE** ➔ Always has been, and still remains **ILLEGAL** for Medicaid dollars to be used for abortions. Bob is pro-life and will never support abortion.
- Bob voted for a...“\$400 million property tax increase.” **FALSE** ➔ Property tax is a function of the counties, not the state. There were no property tax bills before the Senate for Bob’s consideration.
- Bob voted for...“college scholarships for illegal aliens.” **FALSE** ➔ No such bill came to the legislature.
